All reservists in the Petrich area up to 40 years of age were called  
to appear at local community centers with their discharge papers. New  
unit designations were entered on the discharge papers of each reservist.  
Reservists are to report to the new units in case of mobilization.

Comment:

the secret distribution of mobilization  
forms in the Petrich area.

the distribution of mobilization forms indicates an  
attempt to bring reservists' military records up to date.

subsequent information indicates that the secret  
mobilization forms were distributed only to  
members of the Communist Party.
